R. A. Faulkner, D.D.,

President of Toronto University,

Toronto, Ont.,

Dear Sir,-

Our Literary and Scientific Club here, which has been established for eighteen years, is anxious to enlarge its field of usefulness by having six outstanding figures in Canadian life, address us between October 1st, 1914 and April 1st, 1915.

Situated as we are, one mile from Thornbury station, and centrally between Collingwood and Meaford, we are sure of an audience of five hundred or over, and we would be glad if you could see your way clear to give us the opportunity of hearing an address from you, during this period, on any subject you may choose.

The writer has had the privilege of hearing you in Toronto several years ago, and it is the unanimous wish of the Club, and also many of the citizens here, to have you on our course of addresses for this period. The Venerable Archdeacon Cody addressed a meeting in the Armories here in September 1913, and while I have not asked him if we might refer to him, I am sure he would tell you somewhat of the place.

We will be glad to hear from you at your convenience.

Yours truly,

JHH/CML.

J. H. Hartman, Esq.,

Clarksburg.

Dear Mr. Hartman:

It is difficult for me to make engagements for next winter so long ahead, but I hope to be able to go for you to Clarksburg and address your Literary and Scientific Club next autumn. Possibly the last week in October may suit, but I am not in a position to make any definite engagements until September, as other duties may come in upon me that would necessitate my changing the date.

Yours sincerely,

President.
